

## GMC TRUCK CAMPER FOR SALE IN SANTIAGO DE CHILE OR BUENOS AIRES IN ARGENTINA - IDEALLY BY END OF MARCH 2020

Around 20,000 euros

Why did we choose this 4X4 Truck + Camper for our family journey from in South America?

- Full 4X4 capability to explore with space and confort for the family - Ideal for families with 1 or 2 young kids.
- Enjoyable and comfortable truck to drive long distances.
- Crew Cab in truck for secured and spacious seating for our young kid (4) and additional storage place.
- Very reliable 8.1L Vortec engine with excellent Allison transmission – Never had any engine issues over the journey and lots of power to climb and pass anywhere.

- Excellent maintenance from previous owner.
- Lance 815 light camper well-known for its great finishing that we re-shaped our way to update it and feel at home along the way (never had humidity and not too big to manoeuvre around small towns in LATAM...)
- Plate from Quebec - Canada
